

Jan-Michael Studt

IT Strategist | Senior IT Consultant

After founding, scaling, and successfully exiting my IT company, I am seeking new challenges in IT strategy and management consulting.

With over 20 years of experience in IT infrastructure modernization, cloud migration, and team leadership, I specialize in crafting and refining future-proof IT strategies focussing on business goals, efficiency and reliability.

Professional Experience

IT Manager (Earn-Out-Phase)

03/2021 - 03/2024

MOON VALLEY GmbH / Xibix Solutions GmbH

IT Project Leadership

Directed IT projects, from proposal to invoicing, managing budgets, timelines, and multidisciplinary teams.

Cloud Development

Developed and optimized complex web-based business applications with a focus on scalability, security, and efficiency (AWS, Aurora, Lambda, JS frameworks).

Change Management

Led the integration of MOON VALLEY's structures and staff into Xibix Solutions following acquisition.

Chief Technology Officer (CTO) & Managing Director 01/2012 - 03/2021

MOON VALLEY GmbH

Digital Transformation

Spearheaded technology roadmaps and modernization initiatives for international clients.

Stakeholder Engagement

Presented business cases and project plans to C-level executives and VPs in Europe and the USA.

Team Leadership

Built and managed high-performing teams, ensuring retention and professional development.
